

السادة إدارة مدرسة المطران والأهلية المحترمين،

أرجو التكرم بقبول ترشحي لمجلس أهالي الطلبة عن الصف السادس، حيث يدرس في ذلك الصف إبنتي تالا ويارا، بالإضافة لإبنتي جود في الصف التاسع وسيلينا في الصف الأول. إن وجود 4 بنات لي في المدرسة جعلني من أعرف الناس بتفاصيل العملية الدراسية وتحديات الدراسة التي تواجه المعلمين، والإدارة، وعلى وجه الخصوص الطلبة. بعد خبرة مع المدرسة الأهلية لأكثر من 10 سنوات شعرت برغبتي بالترشح للمجلس لتقديم خبراتي المتواضعة في مجال التطوير والتميز والإبداع، وكذلك لإيصال صوت الأهالي والمشاركة في التطوير للعملية التعليمية، وبما يتفق مع رؤية ورسالة المدرسة التي تتسم بالحدثة والنظرة المستقبلية، مع المحافظة على العراقة التي تتمتع بها مدرستنا الحبيبة.

Respected Ahliyyah and Mutran School Administration,

I kindly request you to accept my candidacy for Student Parents Council on behalf of sixth grade, where my daughters, Tala & Yara, are studying, in addition to my daughters Jude in the ninth grade and Selena in the first grade. Having 4 daughters in the school made me knowledgeable of the details of study process and challenges facing teachers, management, and especially students. Knowing the School for more than 10 years, I had the motive to run for the Council and provide my experiences in the field of development, excellence and creativity, and to convey the voice of parents and participate in the development of the educational process, in accordance with the vision and mission of the school, which are characterized by modernity and future outlook, while maintaining the heritage that it enjoys.

Samer Ibrahim Samman

16-9-2022

Mr. Samman has a master's degree in industrial engineering from Jordan University (2003), with more than 23 years of experience in the fields of Excellence & Innovation, Quality Management, and Local Economic Development. Mr. Samman has worked for King Abdullah II Award for Excellence during 1998-2001, then he worked as a Project Manager in a USAID-funded project for enterprises development in the period 2002 – 2005. Afterwards he became a Sector Lead for different industrial sectors at Jordan Upgrading & Modernization Program (JUMP) in 2005, after which he worked again at another USAID-funded project as a Manager for Local Economic Development Unit from 2007 till 2010 where he was running the USAID-funded branches in the Northern & Southern Governorates and supervising the implementation of income generating projects for the local communities.

Mr. Samman is an EFQM (European Foundation for Quality Management) Senior Assessor certified by King Abdullah II Center for Excellence, and has worked for other Excellence Centers and programs such as: Sheikh Khalifa, UAE Prime Minister Medals, Dubai, Abu Dhabi, and Ajman for Government Excellence, besides working for King Abdel Aziz Quality Award in KSA, where he participated in assessing and developing more than 300 public and private organizations. Furthermore, Mr. Samman was assigned by King Abdullah II Center for Excellence to assist in developing the Government Innovation Award. Mr. Samman has served as a Vice Chairman and Board Member in Jordan Society for Quality for around 15 years, and he has 3 published books in the field of Management. Currently, Mr. Samman is working as an Executive Assistant for the President & CEO of Royal Jordanian Airlines for Governance, where he has joined RJ in 2013.
